Re: Annual Report Required by G.S. § 58-87-5 – Volunteer Rescue/EMS Fund

Dear Senator Berger, Speaker Hall, Co-Chairs of the Joint Legislative Oversight Committee on General Government, Director Matteson, Ms. Holland, and Mr. White:

Pursuant to G.S. § 58-87-5(e), please find enclosed herewith the Office of State Fire Marshal's ("OSFM") report on the Volunteer Rescue/EMS Fund (the "Fund"). The report provides information regarding (1) the amount of each grant and the name of the recipient; (2) the Fund balance at the beginning of the grant cycle; (3) cash receipts through the previous grant cycle; (4) cash disbursements through the previous grant cycle; and (5) the Fund balance at the end of the previous grant cycle.

The General Assembly has my gratitude for its continued commitment to supporting the volunteer rescue/EMS departments throughout our state. The resources provided through this program play an important role in helping volunteer rescue and EMS units purchase essential equipment and facilitating capital improvements. I thank you for allowing OSFM to have a role in this vital grant program. If you have any questions or require additional information, please do not hesitate to reach out.

Respectfully,

Brian Taylor
State Fire Marshal

DEPARTMENT FUND**

**REPORT FOR
NC GENERAL ASSEMBLY**

**OFFICE OF STATE
FIRE MARSHAL**
NC DEPARTMENT OF INSURANCE

BRIAN TAYLOR, STATE FIRE MARSHAL

The Volunteer Rescue/EMS Fund (the “Fund”) provides financial assistance to eligible volunteer rescue squads and emergency medical services units across North Carolina to support the purchase of essential equipment and help fund critical capital improvements. The Fund is intended to strengthen emergency response capabilities, enhance public safety, and ensure that volunteer-based emergency services have access to the resources necessary to effectively serve their communities. Through a matching grant structure, the program helps local rescue squads and EMS units leverage limited local funding to acquire equipment that might otherwise be financially out of reach.

Grant funding is available to eligible volunteer rescue, EMS, and combined rescue/EMS providers recognized by the Office of the State Fire Marshal (“OSFM”). To qualify for grant funding, a rescue squad or EMS unit must be primarily volunteer in nature, may employ no more than ten paid positions, and must be recognized by the county in which they operate as providing rescue and/or EMS services. Eligible organizations may apply for matching grants on a dollar-for-dollar basis up to \$25,000, provided they have cash assets exceeding \$1,000. Organizations with cash assets below \$1,000 may apply for a non-matching grant of up to \$3,000. Grant funds may be used for approved equipment purchases and capital expenditures, and awards are subject to compliance with applicable statutory and program requirements.

On August 1, 2025, OSFM sent every eligible rescue/EMS unit in North Carolina a detailed letter of instruction notifying them that the online application had been made available. Online applications were accepted through October 1, 2025.

OSFM received 169 applications for evaluation. Of these, 96 rescue/EMS departments received matching funds through the Volunteer Rescue/EMS Fund. 82 applications were withdrawn, disqualified, or incomplete.

- Requested Monies: \$2,564,428.83 (Approved and Non-Approved Applications)
- Available Monies: \$2,471,173.39
- Approved Monies: \$1,373,812.29

This report includes a list of approved departments by county, together with the amounts they were awarded.

Every rescue/EMS department that submitted an application was notified by email of their approved or non-approved status on December 15, 2025.

Approved Rescue/EMS departments are presently purchasing and receiving their approved equipment. Upon delivery of their equipment, they will upload their documentation (e.g., invoices and proof of payments) for reimbursement. The deadline for submitting this information to OSFM is April 30, 2026.

The checks are delivered by mail or electronic funds transfer and will be deposited to each approved rescue/EMS department once all grant requirements are met. The equipment purchased through this grant must remain in the possession of the department for a

minimum of five years and is subject to inspection or audit which is carried out by OSFM inspections staff.
