### **January 16, 2026**

The emergency meeting of the N.C. Code Officials Qualification Board (“Board”) was held via WebEx at 9:00 AM on January 16, 2026.

### **ITEM 1 – INTRODUCTIONS, ROLL CALL and CONFLICT OF INTEREST STATEMENT**

Chairman Thunberg called for a roll call. Thunberg asked each member of the Board to state whether they had actual or potential conflicts of interest for any items on the agenda.

The State Ethics Commission has cited the potential for a conflict of interest for members of the Board who are serving in the following appointments.

- Code officials because they serve on the Board that certifies them.
- Elected officials because local government entities employ code officials.
- Licensed contractors because their companies regularly work with code officials.
- UNC School of Government, because the school provides educational services for code officials who are subject to the jurisdiction of the Board.

Board members should exercise appropriate caution in the performance of their public duties should issues involving their certifications or that of any of their employees who come before the Board. This would include recusing themselves to the extent that their interests would influence or could reasonably appear to influence their actions.

No conflicts were noted.

## **ITEM 2 – PERIODIC REVIEW OF RULES PROCESS DEADLINE:**

Kyle Heuser went over the periodic review of rules process, the relevant deadlines, and the need for the Board to make initial determinations regarding the necessity of its existing rules ( 11 NCAC 08 .0500 - .0800) at this emergency meeting of the Board in order to comply with the North Carolina Administrative Procedure Act’s requirement to complete a 60-day public comment period within the relevant deadlines.

Heuser stated that the recommendation from OSFM staff and the Board’s rulemaking coordinators is that the Board’s existing rules in 11 NCAC 08 .0500 - .0800 are necessary and are not required to conform to any federal regulations.-

Kenny Weatherington made a motion to accept staff’s recommendation, initially designate the rules in 11 NCAC 08 .0500 - .0800 as necessary, and that these initial designations be converted to final designations without further Board action if no public comments are received. The motion was seconded by Michael Slate. The motion passed by acclamation. Thunberg asked Heuser to follow up with Board counsel, Nicholas Sorensen, during the public comment period.
