*[Current Date]

* Required Information

To Whom It May Concern,

This letter is to formally request extended time on tests for [Student Name]. [Student Name] has been identified as needing additional time to complete exams due to the challenges associated with processing and responding to test questions in English.

[Student Name] is actively working to improve their English language skills, but the current time constraints on tests do not accurately reflect their knowledge and understanding of the subject matter. Extended time will allow [Student Name] to better demonstrate their comprehension and abilities without being penalized for the time it takes to process and translate the language.

This request is supported by **at least one** of the following:

- [Specify documentation, e.g., a letter from a qualified professional, language proficiency assessments, etc.]
- [Specify any previous accommodations granted, if applicable]
- [Specify any specific observations from instructors regarding the student's performance under timed conditions]

We kindly request that [Student Name] be granted time and a half on all tests. This accommodation is crucial for ensuring a fair and accurate assessment of their knowledge.

Sincerely,
